

# On The Run

August 2017

## SUMMER NET CHAMPIONSHIP

August 15th - 27th

Summer Championship taking place between the 15th thru the 27th. Once a Competitor signs up, before play he or she must declare with a golf staff member to be playing an Official Round. The Competitor will obtain an Official scorecard.

The Competitor must play with another competitor in the field, then return the scorecard to the golf shop. The buy-in will be \$20 with all money being distributed to the net winners. Please contact Golf Shop for more information.

September 1, 2017

in the Golf Shop ~ 727-937-3191

## *From the Head Golf Professional, Beth Bauer Grace*

*We want to thank all the juniors and families who participated in this year's summer camps during the months of June and July! This year's attendance was our best yet as we enjoyed golf, fishing, games and water balloons during these hot temperatures. With the increased participation, we can continue to grow this summer camp in the upcoming years.*

*In August, we will be conducting our second annual Summer Championship taking place between the 15th thru the 27th. Once a competitor signs up, he or she must declare with a golf staff member to be playing an official round before play, and the competitor will obtain an official scorecard. The competitor simply needs to play with another competitor in the field, then return the scorecard into the golf shop. The buy-in will be \$20 with all monies being distributed to the winners.*

*In addition, the golf committee will be finalizing its new members for the upcoming season along with setting the tournament schedule. The committee member names and the official tournament schedule will be released in the September newsletter. Please inform us if you would like to see a specific event or format in the schedule. As always, it is our pleasure to service your needs from golf operations.*

## Summer Camps

### 2017 Snap Shots

## *From Your Golf Course Superintendent, Duane VanEtten*

*We are in the process of tree trimming, wood line cleaning along hazard line and removing roots in play areas, will get more aggressive in the winter months. Resurfacing of bridge entries and exits have been started and will continue until completed along with replacing bridge boards in need, will begin again in winter months when growth of grass slows down. Continued spot spraying weeds with a post emergent herbicide every month along with roundup spraying of tree rings. Tees, fairways, roughs and slopes will be aerified throughout the month of July until completed. Light sand topdressings along with verticutting of the greens as needed. Pre emergent herbicide will be applied throughout the month of August followed by a heavy granular fertilization in September.*

*As always I will try to keep all of you informed with what we are doing on the golf course through my monthly newsletter articles. We always do our best to have the golf course in the best playing condition as we perform the necessary agronomic practices needed to promote healthy turf and the safety of our members.*

*Welcome all new members and thank you for being a part of Cypress Run Golf Club, it is our pleasure to serve you.*

*Thank you all for your continued support.*
