Also, we will be releasing our summer junior camps for the months of June and July. The camps will take place Monday thru Friday 10:00am – 3:00pm with activities such as golf, soccer, arts/crafts, cooking with the chef, movies etc. If interested, please pick up a brochure in the clubhouse for more information.*

*We welcome all the new members to the club and thank you for choosing Cypress Run as your golf club. If there is anything needed, please do not hesitate to ask a golf staff member. We look forward to servicing all your golfing needs over the summer months.*

*We are in the process of tree trimming, wood line cleaning along hazard line and removing roots in play areas. We have replaced some of our irrigation controllers during the month of February and will continue until completed. Resurfacing of bridge entries and exits have been started and will continue until completed along with replacing bridge boards in need. Continued spot spraying weeds with a post emergent herbicide every month along with roundup spraying of tree rings. Tees were aerified in April, fairways, roughs and slopes will be aerified May 15<sup>th</sup> and 16<sup>th</sup>. First greens core aerification will be done June 5<sup>th</sup>, yes these will be the big holes.*

*As always I will try to keep all of you informed with what we are doing on the golf course through my monthly newsletter articles. We always do our best to have the golf course in the best playing condition as we perform the necessary agronomic practices needed to promote healthy turf and the safety of our members.*

*Welcome all new members and thank you for being a part of Cypress Run Golf Club, it is our pleasure to serve you.*
